RE: Final Rules on Expedited Actions

The Supreme Court issued its final version of the Expedited Action Rules along with the accompanying discovery rules and a revised Rule 47 which sets out the pleading requirements for a claimant (plaintiff/counter-plaintiff/cross claimant) on Wednesday, February 13th. Our preliminary review and summary of these new rules are attached, and will be available soon on the TADC website. For a copy of the rules as adopted by the Court, **[CLICK HERE](#)**. Please post your comments/suggestions on the TADC LinkedIn site. A review and summary of the Court's new Motion to Dismiss rule will follow early next week.
