

## LEGISLATIVE UPDATE

March 27, 2015

As was advised last week, in addition to regular monthly E-Updates or important legislative alerts, the TADC will send a progress report each Friday as to where monitored bills are in the process based on their movement during the week. This is meant to keep everyone informed but at the same time, not overloading your mailbox.

Be advised, the caption of the bill may not adequately describe in enough detail what the bill actually does! Each bill listed is linked so that you may see the proposed legislation in full.

Please do not hesitate to contact the TADC should you have any concerns about any bills filed this session.
